Mr. Bouba Sampil
President
Guinean Football Association

Dear Sir,

Formal Letter of Apology

Greetings from the Football Association of Indonesia (PSSI). We sincerely hope this letter finds you well.

It has come to our sincere attention with deep regret that certain individuals from Indonesia have engaged in inappropriate behavior by posting disparaging remarks on the official Instagram page of the Guinean Football Association. We wish to extend our most sincere apologies for this regrettable incident.

Indonesia takes pride in its diverse society, which comprises a multitude of races, colors, and religions. Our strength lies in our unity and inclusivity, as we honor and embrace the rich tapestry of cultures that define our nation. It is deeply disheartening that the actions of a few do not reflect the values we strongly uphold.

On a different note, we would like to extend our heartfelt congratulations to the Guinean Football Association on your qualification for the 2024 Paris Summer Olympics.

Once again, please accept our sincere apologies for this unfortunate incident. We offer our best wishes to you and your team as you prepare for the upcoming tournament. We are confident that you will represent your nation with excellence.

Yours Sincerely,
President

Erick Thohir
